December 11-12, 2025

Organized by

Department of Chemical Engineering
School of Studies of Engineering & Technology
Guru Ghasidas Vishwavidyalaya
(A Central University)
Bilaspur, Chhattisgarh, Bharat
in association with
SOUTH EASTERN COALFIELDS LIMITED (SECL), C.G.

About the Vishwavidyalaya

Guru Ghasidas Vishwavidyalaya (GGV) is a Central University (Accredited by NAAC A++), situated in Bilaspur in Chhattisgarh State, established under the Central Universities Act 2009. Formerly it was known as Guru Ghasidas University (GGU), established by an act of the State Legislative Assembly, on June 16, 1983. GGV is an active member of the Association of Indian Universities and Association of Commonwealth Universities. GGV secured the THE world university ranking 401-501 by Times and Category 1 University by UGC. It is situated in a socially and economically challenged area of Chhattisgarh State. The university is appropriately named after the great Satnami Saint Guru Ghasidas, who championed the cause of downtrodden and waged a relentless struggle against all forms of social evils prevailing in the then society. University has about 10,000 students from different parts of the country. Apart from the regular academics in the campus, the university has successfully managed to extend its services for the welfare of society. The campus is lush green, calm and quiet and free from urban noise and pollution, an ideal temple for education and research.

About the Department

The Chemical Engineering Department is one of the premier and oldest department of School of Studies of Engineering and Technology (Formerly Institute of Technology) of the Vishwavidyalaya. The department was established in 1997 with a vision to establish itself as one of the best study centre of Chemical Engineering with a focus on cutting edge technology research and to produce career ready chemical engineers. The department offers B.Tech., M.Tech. and Ph.D. programs. The department is endowed with well qualified faculty members strongly committed to impart high quality teaching in Chemical Engineering. It has well equipped laboratories in core and specialized areas of Chemical Engineering.

About the Bilaspur City

Bilaspur is situated on the bank of river Arpa which has its own history in the holy books. The state capital Raipur is 111 kilometers from Bilaspur. It is the second largest city in Chhattisgarh and is known as NYAYADHANI because of the High Court of the state (largest High Court of Asia) being situated here. The South East Central Railway (SECR) Zone and South Eastern Coal Fields Limited (SECL) have their Headquarters in this city. The city is surrounded by many historical places and temples; Siddha Peeth Maa Mahamaya at Ratanpur and Amarkantak which is the origin of river Narmada, life line river of Madhya Pradesh. Bilasa Devi Kevat Airport Bilaspur is the nearest airport to connect Bilaspur.

About the Conference

The TEERSD-III 2025 is an International Conference that aims to discuss the current trends and researches in the field of energy and environmental management and how they are evolving to overcome challenges and to prepare for future growth. The conference sessions will have keynote address by eminent personalities from industry and academia and oral presentation based on session theme. This conference will provide an excellent opportunity to academicians, industrialist and scientific community to exchange their ideas for cumulative growth and mutual benefit. The topics to be covered (but not limited to) in this conference are given below :

- ❖ Environmental Pollution
- ❖ Green Energy
- ❖ Pollution Control Technologies
- ❖ New Perspective of Renewable Energy
- ❖ Clean & Sustainable Energy
- ❖ Renewable Fuels
- ❖ Wastewater Treatment
- ❖ Separation Processes
- ❖ Thermodynamics, Chemical Reaction Engg. & Catalysis
- ❖ Waste Management Technologies
- ❖ Energy Intensification
- ❖ Energy Audit & Management
- ❖ Energy Conservation
- ❖ Process Intensification
- ❖ Waste to Wealth
- ❖ Miscellaneous topics

Targeted Participants

- ❖ Scientists from R&D / Industry
- ❖ Faculty Members
- ❖ Research Scholar
